THE OPERA HOUSE .- On Monday night Mr. Frederick Warde will appear for the first time in this city in probably the strongest play of his repertoire. The fame of this eminent tragedian is too well established to need an extended notice in these columns. The play selected is Sheridan Knowles' tragedy Virginius, in the strong emotional scenes of which Mr. Warde is seen at his best. An exchange says:

"His playing is marked by a freedom and ampleness of gesture and a vehemence of speech and manner that seemed in perfect accord with the declamatory character of the language of the role. Not the least pleasing feature of the performance was the excellent support he received. Every one on the stage seemed to share Mr. Warde's ambition to make the tragedy a success. Miss Mitiens Willett (Virginia) is a finished actress, and a reader of more than ordinary intelligence, which is materially sided by a pleasing stage presence and a faithful attention to every detail. The remainder of the company is well balanced and fully equal to

Barlow, Wilson and Raukin's minstrels were greeted last night by a large audience even the galleries being packed. The performance was very satisfactory, and parts of it were very amusing, the entire troupe acquitting themselves with much credit. The songs were finely rendered, and encores

Manager Waterman has succeeded in securing for Tuesday and Wednesday nights properly cleansing the system by the use of one of the greatest successes known to the New York stage in years. "A Brave Woman," with Mr. James M. Hardie and New York Stage in Years M. Hardie and New York Stage S Miss Sara Von Leer in the leading roles comes comes direct from the Union Square Theatre, New York, with all the original scenery, including the great storm scene. A New York critic, in speaking of Miss Von Leer, says: "A brighter, more artless and more loveable actress has not been brought before the public in many years. Her expression is as delicate as the odor of a rose." The company has consented, for this engagement only, to a reduction on their usual charges of admission, and while lower prices will prevail it is promised that the piece will be produced with the careful attention to details that has characterized its productive elsewhere.

RAILROAD ACCIDENT .- An accident, caused by a broken switch, occurred at Rockfish station, at S:40 o'clock this morning, to the south bound passenger train on the Virginia Midland railway, which left here at 11:05 last night, and which resulted in the derailing of four cars, two of which went down an embankment, and the injuring of three men. The engine and postal car passed over the rail safely, but the express and combined baggage and smoking cars left the track and went down an embankment, being considerably damaged. A passenger coach and a sleeper also left the track, but were only slightly damaged. Conductor Pitts, Express Messenger Frost and Baggage Master Poss received injuries, which the

doctors who are attending them pronounce slight. The accident caused but little interruption to travel, and by ten o'clock this on Monday next at 7:30 p. m., and be kept morning the track had been cleared, and up for two weeks. trains were running as usual. The loss is estimated at \$500.

CHARGED WITH EMBEZZLEMENT .- Mr. Charles Thorn, who conducts a fancy store in Washington, has sworn out a warrant in this city against John L. Deeton, one of his employees, charging him with the embez on Thursday night for being drunk and disof money, amounting to about \$600, and city. the police have been notified to keep a look out for and arrest the accused man. Deeton store of Mr. I. Eichberg, but a few months since, left this city and went to campaign. Washington, where he secured employment with Mr. Thorn and became an outside salesman. Thorn now accuses Deeton of selling goods to and collecting money from merchants in this city and elsewhere, which he has applied to his own use, and for which he has failed to account. Deeton was in this city on Wednesday, but since that time nothing has been heard of him, and it is supposed he has left for parts unknown. The accusation against him was a surprise to most of his friends in this city, who supposed him to be an honest, upright young man. Decton was considered a good vocalist, and had been connected with several of the church choirs in this city.

SUDDEN DEATH .- Mr. S. W. Markell, his many friends will regret to learn, was stricken with apoplexy at his residence, on Prince street, last night, from the effects of which he died this afternoon. Mr. Markell, it seems, arese about one o'clock this morning, and proceeded down stairs. Although he failed to return, his family entertained no anxiety, supposing he did not intend coming back to bed, or had lain on a lounge on the first floor. They were horrified, however, about five o'clock, when they arcse, to find the unfortunate man stretched out upon the floor insensible, with his head and face cut, and bieeding profusely. Medical aid was summoned, when it was ascertained that be had been stricken with apoplexy, and, as stated above, died about two o'clock this afternoon. Mr. Markell was an old resident of this city, a quiet and unobtrusive gentleman, and had a host of friends.

BRILLIANT PARTY .- One of the pleasant est parties ever given in this city assembled at McBurney's Hall last night, the occasion being the reception tendered by Mrs. M. E. French to Mr. A. E. Smoot and bride, nee Miss Virginia Taylor, who have recently returned from their wedding tour through Europe. The beauty, youth and fashion of the city were gathered in large numbers and seldom was seen a more brilliant assemblage. The costumes of the ladies have never, in this city, been rivaled in taste, beauty or richness and the ladies themselves never appeared to greater advantage. The music was furnished by Weber and dancing coninued till the early morning hours. During the evening a delightful supper was

New Schedules.—Some slight changes will be made to-morrow in the schedule of the passenger trains of the Virginia Midland Railway. All of the passenger trains which have been running during the past summer will be continued, and the hours of their arrival and departure will remain the same, with the exception of train No. 52, southern express heretofore leaving at 11.05 p. m. which will, under this schedule, leave at 10:55 p. m., and No. 53, the express train from the south heretofore reaching Alexandria at 7:30 a.m., will reach here at 7:40 a. m. The Manassas train will continue to reach Alexandria at 10:15 a. m., and leave at 2:55 p. m.

A new schedule also goes into effect on the A. & F. Railway to-morrow.

DEATH OF MRS. J. C. NIGHTINGILL .-This estimable lady who was stricken with apoplexy on Saturday night last, died at her husband's residence, on South Lee street, at 12:25 this morning. The deceased had lain in a comatose condition ever since she was stricken, and at no time during the six days of her illness could it be said with certainty that she was thoroughly conscious. Mrs. Nightingill was one of the oldest residents of the First ward, and had a host of acquaintances, all of whom will regret to hear of her decease. She leaves a husband and seven children, all of the latter being

ACQUITTED .- Cary Page, who was tried in the King George County Court this week for the murder, by drowning, of the two boys, Charles and Remus Dodd, last summer, was on Wednesday acquitted, the jury bringing in a verdict of not guilty on the first charge—that of the murder of Remus Dodd. A nolle prosequi was then entered by the Commonwealth's attorney on the second charge-that of the murder of Chas.

SENT TO JAIL.—Andrew Lomax, colored, who was arrested in this city on Thursday last and turned over to the Fairfax authorities on the charge of creating a disturbance at the polls in that county on election day last was taken before a magistrate on Thursday, who sent him to Fairfax county jail to await the action of the grand jury on the charges of false swearing in registering and assault.

POLICE REPORT.-Last night was clear and cool with one prisoner and five lodgers at the station house. The only case before the Mayor this morning was that of Edward Tyler, colored arrested by Officers Martin and Franks, for an assault on Edward Carter. He was dismissed for want of evidence.

Mr. Ben Florence, a brakesman on the Virginia Midland Railway, was thrown from a running freight train as it was turn ing a curve near Charlottesville Thursday morning, and had his shoulder badly dislocated.
